

Welcome to Best Place at the Historic Pabst Brewery

Nestled in the heart of the original Pabst Brewery in Milwaukee, Best Place is a stunning, historic venue offering two beautifully restored event halls dating back to the 1800s. We are proud to provide a warm, professional, and fun atmosphere where unforgettable events come to life.

Whether you're planning a wedding ceremony or reception, a birthday or retirement party, a corporate seminar or workshop, or even a performance or special celebration—Best Place is the perfect venue. We've hosted a wide variety of events, including holiday parties, fundraisers, bridal and baby showers, lectures, and more.

But don't just take our word for it—our catering and event planning partners say it best:

"As a catering company and as event planners, our clients frequently ask us to recommend a place to hold their events. Best Place at the Historic Pabst Brewery has joined the top of our list as a captivating and historic venue for professional and social occasions."

— **Jim Kasper, Saz's Catering**

"I see this as a unique venue where Old World charm and contemporary style combine to make any event a memory. It's a caterer's dream and a host's dream-come-true!"

— **Scott Shully, Shully's Cuisine and Events**

As a small, family-run business, we are dedicated to preserving the legacy of Jacob Best, who began brewing on this site in 1844, and Frederick Pabst, who carried the tradition into the 20th century. We care deeply for these historic buildings—and for every guest who walks through their doors.

With thoughtful attention to detail and a commitment to exceptional service, we ensure each client's event is memorable, meaningful, and truly one of a kind. It's no wonder we're known as one of the **BEST** wedding venues in the country!

Warmly,

Jim, Karen, and Joshua Haertel
